NATIONAL BUREAU OF STANDARDS  
Washington 25, D. C.

Letter  
Circular  
LC972  
(Superseding  
LC891)

January 10, 1950

PUBLICATIONS RELATING TO BUILDING CONSTRUCTION--HOME BUILDING--  
BUILDING MATERIAL SPECIFICATIONS--HOME MAINTENANCE

FEB 10 1950

This is a list of publications of the National Bureau of Standards relating to the above-mentioned subjects. Where a price is given, the publication may be purchased from the Superintendent of Documents, Government Printing Office, Washington 25, D. C. Remittance may be made either by coupons obtainable from the Superintendent of Documents in sets of 20 for \$1.00 or by check or money order made payable to him.

Where a price is not indicated, publications may be obtained without charge from the National Bureau of Standards, Washington 25, D. C.

A complete list of publications of the National Bureau of Standards, designated as Circular 460, may be procured from the Superintendent of Documents for 75 cents. Announcement of the release of new Bureau publications is made each month in the Technical News Bulletin, which is obtainable from the Superintendent of Documents by subscription for \$1.00 a year in the United States, Canada, Cuba, Mexico, Newfoundland, and the Republic of Panama; other countries for \$1.35.

BUILDING CONSTRUCTION

<u>Title</u>	<u>Series</u>	<u>Price</u>
Preparation and revision of <u>building codes</u> (1949)  Pertinent information for the use of those charged with the responsibility of preparing and revising building codes.	BMS116	15¢
Recommended minimum requirements for <u>plumbing</u> (1932)  Recommended code requirements for plumbing installations in all types of buildings.	BH13	75¢
<u>Plumbing</u> manual (1940)  Recommendations on matters usually covered in plumbing codes. For reference purposes in the development of local plumbing codes.	BMS66	35¢
American standard building code requirements for <u>masonry</u> (1944)  A complete set of minimum requirements for nonreinforced masonry construction.	ML74	15¢
<u>Fire-resistance</u> classifications of building construction (1942)  Fire-resistance ratings and classifications of building construction and roofing materials.	BMS92	30¢
<u>Fire tests</u> of wood- and metal-framed partitions (1941)  Fire-endurance and hose-stream test results of partition constructions representing a wide range in materials and design.	BMS71	20¢
<u>Fire resistance</u> of structural clay tile partitions (1948)  Fire-endurance and hose-stream test results of twenty structural clay tile partitions.	BMS113	15¢
<u>Fire resistance</u> of walls of lightweight aggregate concrete masonry units (1950)  Fire-endurance and hose-stream test results indicating the expected fire resistance of masonry-unit walls of various thicknesses.	BMS117	
<u>Fire-resistance</u> and <u>sound-insulation</u> ratings for walls, partitions, and floors (1946)  Contains information for selecting or designing constructions suitable for use in separating family units in multiple dwellings. Also applicable to walls and floors in other types of buildings.	TRBM44	Free

## .. BUILDING CONSTRUCTION--Continued

<u>Title</u>	<u>Series</u>	<u>Price</u>
American standard building code requirements for minimum <u>design loads</u> in buildings and other structures (1945)	M179	10¢
Code requirements for dead, live, wind, and earthquake loads.		
Strength of Houses: Application of engineering principles to <u>structural design</u> (1948)	BMS109	\$1.50
Contains fundamental data on wind, snow, and floor loads and describes convenient methods for computing applied loads.		
Design and construction of <u>building exits</u> (1935)	M151	25¢
Data on exit flow and recommended building code requirements for exits.		
List of published material relating to <u>building regulation</u> (1948)	LC973	Free
List of publications on building and plumbing regulations issued by the National Bureau of Standards and the Ameri- can Standards Association.		

## BUILDING PRACTICE AND SPECIFICATIONS

Building materials and structures reports (list) (1949)	LC960	Free
Numerical and subject list of Building Materials and Structures reports covering tests and investigations made at the National Bureau of Standards relating to structural and other properties of building construc- tions, materials, and equipment.		
Care and repair of the house (1950)	C489	50¢
A book that discusses the common defects and failures which may occur in a house. It lists tools and materi- als needed, and gives directions for repair and mainte- nance work necessary to keep a house in good condition.		
Leaflet describing C489	C489(1ft)	Free
A brief description of the contents of C489, together with instructions for obtaining the publication.		
Home heating problems: List of publications and articles (1948)	LC948	Free
List of publications and articles issued by Federal Government agencies and other organizations on the installation and maintenance of home heating equipment.		

BUILDING PRACTICE AND SPECIFICATIONS--Continued

<u>Title</u>	<u>Series</u>	<u>Price</u>
House plan services (list of agencies) (1948)  List of sources from which house plan booklets, stock plans for houses, floor plans, or suggestions for small house design may be obtained.	LC927	Free
List of published material relating to home building and maintenance (1949)  List of publications issued by Federal Government agencies, National trade associations, and other organizations relating to materials, equipment, and practices employed in the construction, maintenance, and modernization of houses and other buildings.	LC951	Free
Standards and specifications for building and construction materials, fixtures, supplies, and equipment (list) (1949)  List of Commercial Standards, Simplified Practice Recommendations, Federal Specifications, and publications on Building Codes, Construction Practices, and Home Maintenance.	LC977	Free
Technical information on building materials (list) (1949)  List of digests presenting essential facts developed through research work at the National Bureau of Standards on the properties and uses of building materials.	TIBM(list)	Free
Building research summary reports (list) (1949)  List of mimeographed reports which have been issued as a continuation of the TIBM series mentioned above.	BRSR(list)	Free

MISCELLANEOUS LISTS OF PUBLICATIONS

List of publications of interest to the general public (1947)  List of National Bureau of Standards publications and Federal Specifications covering subjects and products of general interest.	LC849	Free
Publications of interest to suburbanites and home-builders (1949)  Price list of publications of interest to home owners and builders.	PL72	Free
